EVENING NEWS

Mr. Anthony then called for the certificate, and presented the same to the court, saying, "I did not visit in my days, etc."

On the following day, he called on the sister to President Brigham, and she contributed a new suit of clothes to Bro. Harris, for which he felt to bless them. On the 29th of August, he landed in Ogden, and on the 30th of August, he landed in Salt Lake City.

Mr. Harris arrived with Elder Edward Stevenson, whose name is known almost throughout the Territory. They were the first to land in Salt Lake City on the 19th of August.

ONE OF THE THREE WITNESSES

Editor Deseret News:
 Having been interrogated recently regarding Martin Harris, and the time of his arrival in this city, and the present whereabouts of the three witnesses, I am glad to be able to give you some information regarding David Whitmer, the only surviving witness of the Book of Mormon, now living at Richmond, Mo., and the present whereabouts of the other two witnesses, Joseph and Oliver Cowdery, who were with him in the Kingdom of God on Earth, and who were the first to see the plates.

As a proof of their testimony, several of the plates of the Book of Mormon, which were in the possession of Joseph and Oliver Cowdery, and which were the first to see the plates, are now in the possession of David Whitmer, and are being kept in a safe in his house in Richmond, Mo.

After patiently hearing him, I was of the opinion that he was a true witness of the Book of Mormon, and that he was the only surviving witness of the Book of Mormon, and that he was the only one who had seen the plates.

After my arrival in Utah in 1871, I was inspired to write to Martin Harris, and soon received a reply, that the Spirit of God, for the first time, had come upon him since he had left the Kingdom of God on Earth, and that he was now a true witness of the Book of Mormon.
